RE: Site Inspection, Miller Canyon Miracle Rock Mine, Bret Clark, S/015/043,  
Emery County, Utah

Date of Inspection: July 10, 1991

Time of Inspection: 3:30 p.m. - 4:00 p.m.

Conditions: Sunny, hot

Participants: Neil Simmons, BLM; Holland Shepherd, DOGM

A large portion of the "junk" which used to be situated on this site has been removed or buried by the operator. This is a result of BLM's instigation and was completed some time last year.

There are still some old beat up pieces of machinery found on site, pieces of automobile motors, pieces of mobile homes, there is an old cabin on site, a trailer, tires, and mining machinery. The mine has been active recently. There was a bobcat parked on site, and evidence that the bobcat had entered the mine and removed some ore.
